

We Need YOUR Help!

The Ludlow Athletic Boosters are looking for volunteers to work the concession stand during upcoming middle school and high school basketball games.

It's easy to sign up! Register for FREE with SignUp.com to schedule which games you can work. Join the group "Ludlow Concession Volunteers." Your game/time slots you select will be added to your personal calendar and you'll even receive a reminder! (There is an app you can download for your phone too, but there is a \$1.99 fee)

The Athletic Boosters give so much back to the students and teams. Please consider committing to at least three games. You could sign up to work at a game right before or after your own son/daughter plays since you'll already be in the gym anyway!

Why Would You Want to Volunteer at the Concession Stand?

- ✓ Helping the boosters is directly helping your own child since proceeds go right back to the students (letterman jackets, awards, team resources, scholarships, and much more!)
- ✓ Concession Stand Volunteers receive FREE admission to the games that day/night!
- ✓ Have lots of fun getting to meet and work with others in your school community!
- ✓ Working the concession stand is a great way to model the importance of volunteerism to your son/daughter!
- ✓ Show your PANTHER PRIDE!
