26 Last Day for Students

Kindergarten Graduation
9:00am

Primary Award Program
11:30am

Intermediate Award Program
1:00pm

Chromebook Replacement Cost

As we come to the end of the school year, we have had several parents/students reach out to determine costs for lost/broken Chromebook items. When parents signed their agreements for Chromebooks at the beginning of the year, parents assumed costs associated with any damage. We have had a great year of very few lost or broken Chromebook items, mostly lost chargers.

Costs for replacements:

Chromebook replacement: \$210
Lost charger: \$28
Broken screen: \$40

Principal Selection Parent Survey

As the Mary A. Goetz Elementary SBDM Council begins the process of selecting a new principal, they are requesting parent input on criteria they would like to see in the next principal. Input will be solicited by an on-line survey/form. Once the SBDM Council completes the form soliciting input, they will be emailing the survey to each parent and posting the link on our website. Please be looking for this survey link the first week of May to give your input on the selection of the new principal.

We are encouraging all of our parents to give input on the selection of our next principal. There will be many great candidates applying for the position, but want to make sure that we select the person that best fits our community and our families.

Please take a moment and give our SBDM your input on their very important decision.

****IMPORTANT NOTICE for 5th Graders**

All incoming 6th graders for next school year will need updated Kentucky Immunization Forms before the 1st day of 6th grade. If you are a parent of a 5th grade student, please schedule your pediatrician's appointment this summer for your child to receive their immunization boosters. Students **cannot** attend in-person school without updated immunizations.

Preschool and Kindergarten Registration

We are now taking registrations for the 2021-2022 school year for Preschool and Kindergarten. You can find the link on our district website or this hyperlink: [Registration Page](#)

Once you register on this page, you will be contacted by the school to complete a registration packet and provide documentation of residency, immunization, birth certificate, physical, visions, and dental examinations.

**Tuition students will be accepted in the order of receipt of their registration paperwork.

SBDM Parent Elections

Each year our PTO has the responsibility to hold elections for our two parent members to the Mary A. Goetz Elementary Site-Based Decision Making Council (SBDM). Nominations were solicited in April and are now on the ballot. We encourage every parent that will have a student in the elementary next school year, to vote in the SBDM parent election. On a regular year, elections took place at our annual Mayfest. Since Mayfest will be delayed this year, we will hold the parent election on-line. Voting link will be emailed to parents the first week of May and posted on our District Webpage to vote in this coming year's election. The parents with the two highest vote totals will be elected to serve on the 2021-2022 SBDM. If you have any questions, please contact the Ludlow PTO at ludlow.pto@ludlow.kyschools.us
