## Attendance-Based Discipline

In an attempt to promote school attendance and deter absenteeism, an escalating series of disciplinary measures will be used by school and district administration.

***\* RULES FOR DETENTIONS AND FRIDAY SCHOOLS WILL ALSO APPLY TO TARDIES THE SAME AS ABSENCES.***

## DETENTION

Teachers are expected to hold their own detentions for those students who fail to report to class on time and for disciplinary purposes as they deem necessary.

Students who fail to report to a detention assigned by a teacher may be assigned to School Detention and will still serve that teacher's detention. Repeated failure to report to a teacher's detention may result in detention, Friday School, alternative assignment (AA), or suspension.

There will be general School Detention held for 45 minutes Tuesday, Thursday, and Friday after school. Only the Principal or Assistant Principal will assign students to this detention. Assignments will be made for excessive tardiness, unexcused absences, and disciplinary purposes. Students tardy to detention will be dismissed and referred to the Principal.

Failure to attend detention when assigned may result in Friday School, AA, or suspension from school.

Students assigned to detention are expected to bring lessons and/or textbooks to work on during this period. Failure to do so may result in additional days of detention.

Continued failure to adhere to regulations regarding detention may result in Friday School, AA, or suspension.

### Rules for School Detention

- a. Only the Principal, Assistant Principal, or designee may assign a student to the school detention.
- b. Detention begins at 3:15 and ends at 4:00.
- c. Detention monitor will not admit a late student without Principal/Assistant Principal approval.
- d. Students may not talk or sleep.
- e. ***Students will be expected to do their homework assignment(s) or they will receive a Math or English assignment (grade specific) and will work until assignment is finished or put in a good faith effort.***
- f. Students violating the above rules will be referred to the Principal or Assistant Principal which may result in additional days of detention, Friday School, AA, or Suspension.

### FRIDAY SCHOOL

In general, this detention will be used for discipline problems that are relatively severe in nature. Students may also be placed in Friday School when they have had numerous minor offenses, and ordinary school detention and other punishments have failed to correct the behavior. (***This detention may also occur on Thursdays when school is not in session on Friday***)

The following is a list of rules pertaining to the placement and conduct of students in Friday School:

1. Time of Friday School - 3:15 – 5:15 p.m.
2. Late arrivals - Any student arriving after 3:15 p.m. will not be admitted and will be considered to have missed the Friday School.
3. Work completed in Friday School - Students must have assignments to do for the entire length of detention and they must be school related. Special assignments may also be required by the monitor.
4. Restroom breaks - Each student may have one restroom break during the detention period. Students will be permitted restroom privileges individually and not as a group.
5. Skipping one (1) Friday School - If a student is assigned one (1) Friday School and misses that detention, the detention will be doubled.
6. Skipping two (2) or more Friday Schools - If a student skips two (2) or more Friday Schools, the student may be assigned to AA or suspended and still be expected to serve the Friday Schools.
7. Behavior in Friday School - If a student fails to work during Friday School or acts in an unacceptable manner, the monitor will dismiss student and refer to the principal.
8. Assignment of Friday School - Only the Principal or Assistant Principal may assign this detention.
9. Notification - The student and parent will be notified by a letter given to the student indicating the date of Friday School. Students will also be reminded of the detention on the Thursday preceding each Friday School.
10. Dress - School dress code rules will be in effect during Friday School.

## **ALTERNATIVE ASSIGNMENT GUIDELINES**

Students in violation of their responsibilities as stated in the Student Handbook under Student Rights and Responsibilities, Part 2, may be placed in the Alternative Assignment Program. Alternative Assignment will also be used for disciplinary problems that in the past might have resulted in suspension.

The following is a list of rules pertaining to the placement and conduct of students in Alternative Assignment:

1. ***Students who are sent to AA will go to a designated room.***
2. ***Students are to go to lockers, get all materials needed for the day and be in the designated room before the bell rings at 8:20.***
3. Time of the Alternative Assignment Program: 8:20 a.m. - 3:10 p.m.
4. Students will receive classwork assignments from their teachers which will be completed and evaluated.
5. Students assigned to AA may also participate in individual counseling sessions.
6. Students will have minimal contact with other students and will be under the direct supervision of the AA teacher.
7. Only the Principal or Assistant Principal may assign a student to AA.
8. Students are advised that they may still be suspended from school for severe discipline code infractions or if previous disciplinary actions are not effectively correcting student behavior.
9. Students will work on random math and/or English materials if they do not have any work to do.
10. Students are expected to act appropriately and according to classroom procedures while in AA.
11. Students will eat lunch in the AA room, not in the cafeteria.

If a student repeatedly violates school rules and regulations and the previously mentioned disciplinary actions are not correcting the student's behavior, the school administration will recommend to the superintendent that the student and his or her guardian be required to appear before the Board of Education to show cause as to why the student will not obey school policies and rules. An expulsion hearing may also be requested.

## **TARDINESS**

Students who are tardy to school may receive an excused tardy. However, excused tardies will be very rare. ***Unexcused Tardies carry the same guidelines as Unexcused Absences, as explained on page 2 of this handbook.***

When pupils are tardy to specific classes, teachers are to assign their own individual detention for such students. After 3 such instances, a teacher may refer a pupil to the Principal or Assistant Principal for disciplinary action.

All classes will be checked each period for tardies. Every six tardies will constitute one absence.

## **COMPULSORY ATTENDANCE**

Compulsory Attendance is mandated by KRS 159.010, which requires parents, guardians or custodians to send their child/children to school except as provided in KRS 159.030. Each parent, guardian, or other person residing in the state and having custody, guardianship, or in charge of any child who has entered the primary school program or any child between the ages of

six (6) and eighteen (18) shall send their child to a regular public day school for the full term that the public school of the district in which the child resides is in session, or to the public school that the Board of Education of the district makes provision for the child to attend.

### **DEFINITION OF TRUANCY & HABITUAL TRUANCY**

As described in KRS 159.150, any child who has been absent from school without a valid excuse for three (3) or more days, or tardy on three (3) or more days is a truant. According to KRS 150, the definition of Habitual Truancy is any child who has been found by the court to have been absent from school without a valid excuse for three (3) or more days during a one (1) year period or tardy for three (3) or more days on at least two (2) occasions during a one (1) year period. Any child who has been reported as a truant two (2) or more times is a Habitual Truant.

EXCUSED ABSENCES including illness, physician visits, funeral/death of immediate family, and court appearances must meet established criteria. Parent notes are accepted for up to (5) days per semester. Additional absences in a school year may be deemed unexcused without a certified doctor's statement stating that the student was unable to attend school for the total number of days. Documentation including, but not limited to, physicians' statements, court subpoenas, and other proof may be required to excuse an absence in a case other than personal illness.

### **NO PASS, NO DRIVE LAW**

**Effective August of 2007 is the No Pass/No Drive bill (HB 32, amending KRS 159.051). This bill is intended to support dropout prevention and to provide an incentive for students in the Commonwealth to stay in school and pass their courses.**

**The No Pass/No Drive statute results in the denial or revocation of a student's driver's permit or license for academic deficiency, excessive unexcused absences, or for dropping out of school. These are defined below:**

**ACADEMIC DEFICIENCY:** When a student does not have passing grades in at least four (4) courses in a semester.

**EXCESSIVE UNEXCUSED ABSENCES:** When a student has nine (9) or more unexcused absences in one semester. Absences due to suspension are considered unexcused. Unexcused absences are also explained in more detail on page 1 of this handbook.

**DROPPING OUT OF SCHOOL:** When a student withdraws (without graduating) from Ludlow High School and does not enroll in any other high school diploma program.

When a student is considered noncompliant, the school will notify the state and if the student currently has a driver's license/permit, it will be revoked. That student will remain noncompliant for one full school semester. At the end of that semester, if they are considered compliant, the school will contact the state to notify them of the student's compliance.

Any 16 or 17 year-old applying for a driver's license/permit will be required to have a form completed by the school, verifying that the student is compliant (in good standing) with the requirements of the No Pass/No Drive Law. Students/Parents, these forms can be obtained in the high school office. Please give at least a 2-day notice for these forms. You can contact our school secretary at 859-261-8211.

Each student will be assigned a NaviGo Faculty Advisor. This advisor will meet with his/her NaviGo group 2-3 times per month. If necessary, more specific action will be taken to insure appropriate assistance is given to students who are not making adequate progress in the area of academics and future planning after graduation. If a student is not making adequate progress, the NaviGo Advisor can recommend any of the following actions:

## DISCIPLINE

### POLICY AND PHILOSOPHY STATEMENT

The ultimate purpose of education is to help each student explore his capabilities and become an effective citizen. Developing and accepting responsibilities and obligations is a major part of this purpose. The Ludlow Board of Education's primary concern in the area of discipline is that students have the opportunity to learn in an environment conducive to learning. Means of discipline should be employed to inhibit those few students who would destroy or deny such an environment.

The following three definitions have served as guidelines in the development of a District-wide Code of Student Conduct:

Citizenship--is the status of being a member of the Ludlow Independent School District entitled to the privileges and obligations of that membership.

Discipline--is the positive direction of behavior toward established standards of conduct, fully understood and based upon reason, judgment and the rights of others.

- Ideal discipline is self-directed and self-controlled. Schools and community and parents share the responsibility for helping students develop self-discipline.
- Discipline is necessary to assure an orderly environment in which each person may live and learn to his/her capabilities in harmony with others.
- When self-control falters and self-discipline fails, disciplinary forces outside the individual must be imposed to protect the rights of others. The student's age is a factor in determining expectations for self-discipline.

RESPECT FOR SELF, OTHERS AND PROPERTY is based upon those accepted traits acknowledged by a majority of the school community which an individual is willing and able to recognize in himself or others and which lead to a high standard of conduct. Respect for property is demonstrated by a student body which displays pride of ownership through preservation, protection and proper utilization and maintenance of facilities and equipment of the school district and of personal property. These traits, if recognized by an individual, will lead to a high standard of conduct.

The following code of conduct provides grievance procedures to promote an atmosphere of open communication and fairness as required by constitutional due process.

This code should also encourage behavior that will enable pupils to develop to their fullest potential. Students will be responsible for this code in school, at school-sponsored or school-related activities and on school buses. It is expected that sound, fair and equitable judgment

should be considered by pupils, teachers, principals, parents/guardians and others in applying the principles of the code of conduct. This policy applies to all students in the Ludlow Independent School District.

## **SEARCH AND SEIZURE POLICY**

### **School Lockers and Desks**

School lockers and desks in the Ludlow Independent School District are school property and are under the ultimate control and custody of the Board. The Board hereby declares it to be a matter of public policy that it reserves the right for school officials to inspect the contents of school lockers and desks.

The following guidelines are to be followed before a school official searches the contents of school lockers, desks, or confiscated cell phones:

- (a) The search is based on reasonable suspicion for believing that something contrary to school policy or significantly detrimental to the school and its students will be found in the locker, desk, or cell phone. Police drug dogs may be used to search the school facility.
- (b) The school officials have attempted to notify all students by written word and public announcement that school lockers and desks are school property and are subject to search for contraband, stolen articles, controlled drugs, alcoholic beverages, dangerous weapons, or any property belonging to the Board which is not property in the possession of the student.
- (c) The school officials have attempted to notify all students by written word and public announcement that school officials have keys or combinations to the school lockers and that the Board reserves the right for school officials to search the lockers and desks.
- (d) The primary purpose of the search bears a rational relationship to a legitimate education interest and is to secure evidence of student misconduct for school disciplinary purposes. However, in certain circumstances the evidence could be made available to a law enforcement official. If evidence of a crime or grounds for a juvenile proceeding is lawfully obtained by a school official, it may be turned over to a law enforcement officer for his/her use.
- (e) Any search of student lockers or desks shall be, when possible, conducted by the school official in the presence of the student whose assigned locker is the subject of the search.

### **Search of a Student's Person or Personal Belongings**

School officials may search a student's clothing, accessories (purse, wallet, book sack, notebook, gym bag, etc.), or his/her body, if there is reasonable cause to believe the student has in his/her possession contraband, stolen articles, controlled drugs, alcoholic beverages, or dangerous weapons. Searches of the student's body shall be limited to a "pat down" of the exterior of the student's clothing. Such a search of the person of a student "pat down" shall be conducted in a private room by a person of the same sex as the student being searched. At least one but not more than three additional persons of the same sex as the student being searched shall witness but not participate in the search. At the request of the student to be searched, an additional person of the same sex as the student designated by the student, and reasonably available on school premises, shall witness the search. The parent or guardian of any student searched shall be notified of the search as soon as reasonably possible. Such notification should be by telephone. If unable to notify by telephone, a letter shall be mailed with return receipt requested.

Should the school official not be of the same sex as the student to have his/her person searched, said school official shall designate a staff member to conduct the "pat down." Other staff members that could be designated for this purpose include, but are not limited to, the school health nurse or a guidance counselor. Witnesses designated by the school official could be

classroom teachers. No official shall conduct a strip search of any student enrolled in the Ludlow Independent School District.

The following guidelines are to be followed before a school official conducts a search of a student's person or personal belongings:

- (a) The search is based on a reasonable suspicion for believing that something contrary to school rules or significantly detrimental to the school and its students will be found in the search of the student's person or personal belongings.
- (b) The school officials have attempted to notify all students by written word and public announcement that the Board hereby grants school officials the authority to search a student's person or personal belongings.
- (c) The primary purpose of the search of a student's person or personal belongings bears a rational relationship to the legitimate education interest of the school system.
- (d) The school officials have attempted to notify all students by written word and public announcement that, if during a search of a student's person or personal belongings the school official, or his designee, does discover contraband, stolen articles, controlled drugs, alcoholic beverages, or dangerous weapons such unlawful items found could stand as evidence and as a basis for cause in a suspension or expulsion hearing.

#### **SCHOOL RESOURCE OFFICER or LAW ENFORCEMENT OFFICER**

A school resource officer will be available full-time in Ludlow Schools. He is a qualified and sworn police officer who operates within the school district at the discretion of the building Principal or Assistant Principal in conjunction with the Ludlow Police Department. A school official may request the assistance of the SRO to assist in any manner of school functions which are deemed appropriate or necessary.

#### **DISPOSAL OF ANYTHING FOUND IN COURSE OF SEARCH**

Anything found in the course of a search conducted in accordance with this section which is evidence of a violation of the student conduct standards contained in the applicable Board policy may be:

- (a) seized and admitted as evidence in any suspension or expulsion proceeding if it is tagged for identification at the time it is seized and kept in a secure place by the school official until it is presented at the hearing;
- (b) returned to the parent or guardian of the student from whom it was seized; or
- (c) destroyed if it has no significant value.

#### **DEFINITIONS OF TERMS IN THIS POLICY**

As used in this policy statement the term "reasonable suspicion" means circumstances which would cause a reasonable person to believe that the search of a particular person, place, or thing will lead to the discovery of:

- (a) evidence of a violation of the student conduct standards contained in the Board policy statements or student handbook;
- (b) anything which because of its presence presents an immediate danger of physical harm or illness to any person.

A search is made if the school official, or his designee, compels a student to produce or at least expose matter otherwise covered from the plain view of the school official or his designee.

The term "school official" applies to any school administrator employed by the Board. The term does not include teachers.

The term "school premises" refers to property under the control of the Board of Education.

### **CRIMINAL VIOLATIONS**

Those offenses listed under Class II offenses in the Discipline Code which may also be classified as criminal acts, or violation of any other local, state, or federal criminal statute will be referred to civil authorities and result in immediate removal from school pending a hearing before the board in accordance with KRS 158.150.

### **SPECIAL EDUCATION STUDENTS**

Students who create a dangerous or disruptive situation may be suspended from school. The due process procedure that should be followed for shorter term suspensions are the same for all students and are outlined in KRS 158.150.

The behavior of exceptional (special education) students and students who have been referred for evaluation for possible special education placement and/or related services should be considered during the initial Admissions and Release Committee (ARC) meeting. Behavioral interventions, treatment and consequences should become a part of the Individual Education Plan for that student. Should these interventions prove unsuccessful, as evidenced by misconduct of the student, the issue should be brought to the appropriate ARC to make changes in the student's program which might result in more appropriate behaviors.

Middle School March Madness	12 Absences	TBA
Middle School Aloha Dance	18 Absences	TBA

**NOTE: 6 Tardies constitute one day absent. For example: If a student has been absent 16 days and tardy 15 times, he/she would be considered absent 18.5 days. This would cause this student to be unable to walk at the graduation ceremony.**

**ACADEMIC REQUIREMENTS**

LHS students (grades 7-12) must be passing at least four of their six courses (failing no more than two) at the time of an administrative grade check prior to a school-sponsored extracurricular event. Students not meeting these criteria are ineligible to participate until told by an administrator that they are reinstated.

Students whose attendance is deemed unacceptable by the administration may also be placed on social probation that precludes them from participating in these events. **Both attendance and academic information will be checked 1 week before the event.**

Exceptions may be made at the discretion of the Principal, but will need written physician documentation. (To help clarify the exceptions, it**

**is not simply for absences that have a doctor’s excuse/note. It is referring to consecutive absences due to prolonged illnesses, injury, or surgery.) If a student does not meet these attendance requirements, he/she will NOT be allowed to participate in senior activities and the graduation ceremony.**

During the 2018-2019 school year, Ludlow High School students may earn credit through the online APEX System. All APEX students must accept the terms of the APEX Ethics and Acceptable Use Agreement, as well as the terms of the school’s Acceptable Internet Use Contract. If students are interested in taking an online course, they should see the Guidance Counselor for more information.

**VARIOUS PROGRAMS OF STUDY THAT LHS OFFERS**

Students at Ludlow High School can follow four different programs of study. Each program builds on the prior, adding extra requirements to complete a more rigorous course load.

The programs are as follows:

- General Graduation Program
- Pre-College Curriculum Program
- Program of Academic Studies
- Distinguished Scholar Program

All students must meet the requirements for the General Graduation Program. These requirements are listed on the previous page in this handbook. The other three courses of study are described on the pages that follow.

### Pre-College Curriculum

The Pre-College Curriculum is subscribed to by all public colleges and universities in the Commonwealth. This program sets **course minimums** for unconditional acceptance to these schools. In addition, an individual institution of higher education could add an academic performance qualification - such as high school grade average, class rank, ACT scores, or other relevant indicators to the statewide requirements. Students who plan to attend a Kentucky public college must complete the minimum course of study listed below:

English	4 credits – English I, II, III, IV
Math	4 credits – Algebra I, Geometry, Algebra II, and one additional credit (Financial Literacy Math, Probability & Stats, Pre-Calculus, or AP Calculus)
Science	3 credits – Biology I, Chemistry, Earth/Space Science
Social Studies	3 credits – Integrated Social Studies, Modern World Civilizations, U.S. History
Health/PE	1 credit
Fine Arts	1 credit
<b><i>Foreign Language</i></b>	<b><i>2 credits in one foreign language</i></b>
Electives	4 additional credits

### LHS Program of Academic Studies

Please note that the requirements listed under the heading Pre-College Curriculum are minimal, and the Council on Higher Education **strongly recommends additional academic coursework**. Therefore, Ludlow High School has adopted a Program of Academic Studies to encourage students to take stronger academic courses and to reward them for doing so. The main thrust of the Program of Academic Studies (PAS) is that certain courses have been identified as academic and may be weighted. Also, students who successfully complete the PAS will receive recognition on their official transcript. **Students planning to attend a four-year college are strongly urged to complete these minimum requirements!**

English	4 credits
Math	4 credits – Algebra I, Geometry, Algebra II, and one additional credit (Financial Literacy Math, Probability & Stats, Pre-Calculus, or AP Calculus)
<b><i>Science</i></b>	<b><i>4 credits – Biology I, Chemistry, Earth/Space Science and one additional science credit</i></b>
Social Studies	3 credits – Integrated Social Studies, Modern World Civilizations, U.S. History
<b><i>Foreign Language</i></b>	<b><i>2 credits in one foreign language</i></b>
Fine Arts	1 credit
Health/PE	1 credit
Electives	3 additional credits

### ONLINE COURSES

Ludlow High School offers online courses to students through an accredited online provider, APEX. Students may be placed in an online course for various reasons including Credit Recovery and scheduling needs. Students who are taking an online course for high school credit

as part of their regular six period schedule of classes will receive a grade during each grading period. Students are expected to complete the online course by the end of the school year. Students should understand that they may need to complete coursework from home (as homework) in order to keep up with the proper rate of completion. Grades will be recorded based on a student's completion percentage and recorded grade average at each grading term (including progress reports). Please refer to the below table for rate of completion. This table is a guide for helping students and parents know the level of the student's progress. It can also be used throughout the course of the school year by administration to determine eligibility for athletics or extracurricular activities. Ultimately, successful completion of an online course at an accuracy level of 70% or higher will result in a credit being issued for that course.

	1st Q Progress	1st Q Report Card	2nd Q Progress	2nd Q Report Card	3rd Q Progress	3rd Q Report Card	4th Q Progress	4th Q Report Card
Required Completion Percentage	12.5%	25%	37.5%	50%	62.5%	75%	87.5%	100%

Students will be exempt for final exam only if they meet Ludlow High School's Exemption Policy.

### **DISTINGUISHED SCHOLAR PROGRAM**

Students will receive the Commonwealth Diploma when they complete the minimum unit requirements for high school graduation set by the Ludlow Board of Education, and all minimum requirements of the Pre-College Curriculum. In addition, students must successfully complete (receive a grade of "C" or above) in at least four (4) courses in the Advanced Placement (AP) Program, International Baccalaureate (IB) Program (transfer only), or Dual Credit Program:

- a. English – 1 course
- b. Math or Science – 1 course
- c. Foreign Language – 1 course
- d. One additional AP/IB course or Dual Credit Course

Students must also complete 3 of the 4 AP examinations in order to receive the Commonwealth Diploma. (*LHS requires all students enrolled in an AP class to take that AP exam, with the exception of Spanish IV.*) Upon the successful completion of the requirements stated above, students will be honored with the Commonwealth Diploma at graduation.

As an incentive, the state reimburses AP exam fees for any students that earn the Commonwealth Diploma and earn a score of 8 or higher on any three (3) AP exams. (Exams are scored on a scale of 1 to 5; Five is the highest score.)

### **GRADUATION EXERCISES**

Students may participate in the graduation exercises and receive their diplomas only if they have fully completed the required number of credits set forth by the Board of Education to graduate and are not under suspension at the time of graduation.

**In addition to the credit requirements, all candidates for graduation must meet the following attendance requirements in order to participate in senior activities and the graduation ceremony: Students must have no more than eighteen (18) absences (both**

**excused and unexcused) during their senior year. Every six (6) tardies (no matter what type of tardy— excused or unexcused, or morning or afternoon early dismissals) will be considered one (1) absence. Exceptions may be made at the discretion of the Principal, but will need written physician documentation.**

The selection of Valedictorian and Salutatorian is determined by the highest GPA based on a weighted scale. This determination is made at the conclusion of the senior year, once final grades/credits are awarded.

In order to participate in the graduation exercises, all seniors **MUST** be present for both of the graduation practices. These are generally held on the last two days of the school year. Senior sponsors will communicate this information to students/parents.

## **EXAMS**

**Semester Exams will count no more than 20% of the semester grade.** Final grades for the year are an average of the first and second semester grades. Semester Exams will be comprehensive and cover the material that was taught during the semester. Exams will assess student mastery of core content and material taught.

Semester exams will mirror skills required by students on state assessments and ACT assessments.

Semester exams will meet District Curriculum Goals in the specific content and may be submitted to the Principal for review.

## **EXAM EXEPTIONS**

Students will be exempt from **FINAL EXAMS ONLY** if they meet the following criteria:

- Students in grade 7-12 will be exempt from exams if they have a 93% for their final year average. There will be a date in May to determine exemptions.
- Juniors and Seniors who have hit all three ACT benchmarks and have a 90% for their final year average in any class will be exempt (if he/she so chooses) from that particular exam (including junior college readiness course). For example, a student who's met all three ACT benchmarks and has 90% in Art I will be exempt from the Art I exam.
- Students in EOC (End of Course) classes must have a 70% final year average and score a "C" or better on their EOC exam to be exempt. If the exam is given by "paper and pencil," the proctor will determine exemption. If EOC exams are not given in a school year, please refer to the first bullet.
- Students in grades 7-9 who scored a "Proficient" or "Distinguished" on state assessment the previous year and who have a 90% or higher will be exempt from the exam in the class that matches the content area in which he/she scored "Proficient" or "Distinguished." In order to be exempt from an English class, the student must have scored "Proficient" and/or "Distinguished" in both reading and on-demand writing.
- Student aides will be exempt based upon supervisor's recommendation.
- Peer tutors must have an "A" average for the year based on supervisor's/coordinator's recommendation through discussions with the supervising teacher.
- A student taking an online course will be exempt from an exam if he/she has fulfilled all requirements for the course and is passing the course.
- Credit recovery students will not be exempt from exams unless all coursework is completed and the student has passed all of those classes.
- Students do not have to be at school during any exam time that they are exempt.
- The final exam schedule will be three days with two exams each day.

- Dual Credit and AP exam policy will be determined by teacher.
- Exam exemptions will only be available during the second semester.

### **END OF YEAR ASSESSMENT EXAMS**

If the state of Kentucky requires schools to perform “End of the Year” Assessment Exams in the following classes: English II, Algebra II, Biology, and US History, these exams will be given at the end of the second semester and cover the whole year. **The scores from these exams will count no more than 20% of the student’s final grade.**

### **GRADE POINT AVERAGE**

A student’s grade point average (GPA) is calculated at the end of each year (not each semester), based on the final yearly grade for each class. The student receives a point value for each letter grade, the sum of which is divided by the total number of credits attempted. The GPA is a weighted, cumulative one, which averages a student’s 9<sup>th</sup> grade through 12<sup>th</sup> grade averages. (KEES GPA is based on each individual year’s unweighted GPA, adding weight for AP classes.)

The GPA is recalculated after each year’s grades have been assigned. Ludlow High School uses a weighted 4.0 system. The system of weighted values encourages students to extend themselves academically by taking classes that demand much higher levels of achievement.

Colleges, universities, and various scholarships may require that the student’s GPA be reported only on an unweighted 4.0 scale. Both unweighted and weighted GPAs are reported on the student’s transcript.

The courses that are weighted on the 4.5 scale are as follows:

Honors English I	Honors Algebra II
Honors English II	Pre-Calculus
Honors English III	Physics
Honors Algebra I	Biology II
Honors Geometry	Spanish III

The courses that are weighted on the 5.0 AP scale are as follows:

English IV AP	U.S. History AP	Gateway Dual Credit Classes
Calculus AP	Spanish IV AP	IB Courses (transfer only)
Biology AP	Art AP	
AP KVHS Classes	NKU Early Enrollment Classes	

ALL OTHER classes other than those listed above are calculated on the unweighted scale.

#### **Unweighted Scale**

A = 4.00 points  
B = 3.00 points  
C = 2.00 points  
D = 1.00 point  
F = 0.00 points

#### **Weighted Scale**

A = 4.50 points  
B = 3.375 points  
C = 2.25 points  
D = 1.125 points  
F = 0.00 points

#### **Advanced Placement**

A = 5.00 points  
B = 3.75 points  
C = 2.50 points  
D = 1.25 points  
F = 0.00 points

### **GRADING SYSTEM**

The following is the grade scale used at Ludlow High School:

**A** = 93 – 100      **B** = 85 – 92      **C** = 76 – 84      **D** = 70 – 75      **F** = 0 – 69

The school year is divided into four 9-week grading periods (quarters). Students/Parents will receive a report card approximately one week after the quarter has ended, along with

Progress Reports half way through each quarter. Final grades for the year are an average of the first and second semester grades.

### **HONOR ROLL**

Students with a weighted grade point average of 4.0 or above will be awarded "High Honors" at the end of each quarter. Students with a weighted grade point average of 3.0 to 3.9 will be awarded "Honors." During the end-of-the-year awards banquet, students will be recognized for earning Honors or High Honors during the 1<sup>st</sup> three quarters of the school year. To earn an Honors trophy, students must receive either Honors or High Honors for the first three quarters. To receive a High Honors trophy, students must earn High Honors for all of the first three quarters.

### **LIBRARY SERVICES**

The library is open from 7:30 a.m. until 3:15 p.m. each day. The library is also open after school during ESS and by appointment.

During class time, students will only be admitted to the library with a pass.

Books will be checked out for 14 days but may be returned prior to the due date. Reference books, magazines, dictionaries, and newspapers may not be taken from the library except by special permission of the librarian.

Some books may be renewed for a period determined by the need of the student and the library. Books that are overdue for more than a month will be considered lost, and a fine will be assessed.

Any loss or damage must be made good to the satisfaction of the librarian.

The librarian is your teacher while you are in the library. She will enforce all school rules. Personal assistance and direction may be requested at any time just as in any classroom situation.

### **GUIDANCE SERVICES**

The primary purpose of our school counselor is to help each student realize his or her fullest potential both in high school and in preparing for post-high school experience.

The counselor is available to help you with decisions about your current and future education, possible career choices and personal problems.

The counselor is an excellent source of career information, college, vocational-technical school information and information concerning any aspect of your educational and career future.

The counselor is here to help with problems related to school, home, friends, and other aspects of your life.

Most often a student can see the counselor before or after school. If you want to leave class to see the counselor, you must receive permission from your teacher.

One important thing to remember... the counselor is here to help the student. When a problem is arising, please come to the Guidance Office at the beginning so that solutions can help you to have a successful, happy school year.

## **EXTRA CURRICULAR ACTIVITIES**

All extra-curricular activities are conducted under the guidance of sponsors or coaches. All participants are subject to the rules and regulations of the sponsors or coaches. Students may not participate in extra-curricular activities while under suspension or expulsion.

Students must be in attendance at least half of the school day to be eligible to participate in any school activity.

## **SCHOOL ACTIVITIES**

School activities include athletics, cheerleading, band, clubs, dances, honor day, and homecoming.

1. **Athletics and Cheerleading:** Ludlow High School offers a wide range of opportunities for students interested in athletics and cheerleading. Fall sports include varsity, reserve, freshman, and middle school football; girls' volleyball; girls' soccer; and cross country. Winter sports include boys' and girls' varsity, reserve, and freshman basketball. Spring sports include boys' varsity and reserve baseball; girls' varsity and reserve softball; and boys' and girls' track. Cheerleading tryouts are held in the spring. The squad will participate on an annual basis, throughout football and basketball seasons.

All students participating in athletics or cheerleading will be required to:

- a. Maintain eligibility requirements as required by the Kentucky High School Athletic Association, by the sport's governing constitution, or (if stricter) by the school.
  - b. Pass a physical examination.
  - c. Practice good sportsmanship while representing Ludlow High School.
2. **Band:** All students interested in joining the band may see the band director after school. The band participates in numerous contests during the year and annually presents two concerts. Band members also play at home football and basketball games, and at the commencement ceremony.
  3. **Clubs:** Ludlow High School offers a variety of clubs for students wishing to participate in extra-curricular activities. These clubs include:
    - a. National Honor Society: NHS is an honorary group open to sophomores, juniors, and seniors maintaining a 3.3 weighted grade point average. Once a student meets the 3.3 minimum requirement, he/she may complete an application for selection. A faculty team will select students based on the following areas: leadership in the school and community, involvement in school and community activities, character, and service or volunteer hours/activities in the school or community. New members are inducted in the spring. NHS sponsors a winter dance and provides scholarships in May.
    - b. Student Council: The student council will consist of homeroom elected representatives in grades 7-12, and four executive officers for each grade level, as well as for the school council.
    - c. Academic Team: Students in grades 7-12 who are interested in various academic team competitions that are scheduled during the school year are encouraged to join.
    - d. Students Against Destructive Decisions (SADD): Formerly known as Students Against Drunk Driving, this national organization changed its name in 1997 to Students Against Destructive Decisions. Ludlow High School now runs a chapter of this group, open to all students in grades 7-12. This is for students who are willing to commit to a healthy lifestyle and help promote this lifestyle. Topics addressed will include the use of drugs or alcohol, driving safety issues, smoking,

sex/abstinence, suicide, and violence. Students will help run campaigns on these topics to encourage students and parents to have a healthier lifestyle.

- e. Panthers Chasing Christ (PCC): This club is open to any student who wishes to enjoy food, fun, and fellowship with their peers and faculty members.
- f. Yearbook: The dedicated members of this organization put together the school's yearbook each year. If you enjoy taking photos, writing stories about your school, and designing page layouts, you should consider working on the yearbook.
- g. Student Technology Leadership Program (STLP): Students work with technology staff on learning about computer hardware and software. Students meet after school and in the summer to work on/maintain the school's actual computers.

Other clubs may be developed during the school year. Details of these new clubs will be described during the morning and afternoon announcements.

- 4. **School Dances**: A number of school dances will be sponsored by various classes or clubs during the school year. Dances are an excellent opportunity for students to get together without the worry of tests, homework, etc.

In general, school rules apply to the dance, whether it is on or off school grounds.

Any student attending a dance under the influence of or in possession of alcohol, drugs or marijuana will be disciplined with possible suspension or expulsion. Students engaging in a fight or general misbehavior also will be subject to similar discipline.

Video cameras are not permitted.

Any student dismissed from a school dance will be denied permission to attend future dances during the school year.

The Homecoming Dance, Snowball Dance, and Prom are for students in grades 9-12 only (Prom is only for juniors/seniors). LHS students are permitted to bring dates of at least high school-status from other schools to certain dances. However, LHS students will be held accountable for the behavior of their dates. No one 21 or older will be permitted to attend.

Students attending from another school must obtain and fill out a verification form from their parents and school administration.

Several dances will also be held throughout the year for 7<sup>th</sup> and 8<sup>th</sup> graders. All school rules still apply at these activities as well.

2. Meet with/contact the Athletic Director for further discussion. If the Athletic Director does not resolve the problem to the parent's/student's satisfaction,

**LUDLOW INDEPENDENT SCHOOL DISTRICT**  
**USE OF ELECTRONIC MAIL AND THE INTERNET**

We are pleased to offer students of the Ludlow Independent School District access to the district computer network for electronic mail and the Internet. The Internet, a global electronic information infrastructure, is a network of networks used by educators, businesses, the government, and the military and other organizations. In schools and libraries, the Internet can be used to educate, inform and entertain. As a learning resource, the Internet is similar to books, magazines, video, CD-ROM and other electronic informational sources. To gain access to E-mail and the Internet, all students must obtain parental permission and must sign and return the attached form to the District Technology Coordinator.

Access to E-mail and the Internet will enable students to explore thousands of libraries, databases, and bulletin boards while exchanging messages with Internet users throughout the world. Families should be warned that some material accessible via the Internet may contain items that are illegal, defamatory, inaccurate or potentially offensive to some people. While our

intent is to make the Internet access available to further educational goals and objectives, students may find ways to access other materials as well. We believe that the benefits to students from access to the Internet, in the form of information resources and opportunities for collaboration, exceed the disadvantages. But ultimately, parents and guardians of minors are responsible for setting and conveying the standards that their children should follow when using media and information sources. To that end, the Ludlow Board of Education supports and respects each family's right to decide whether or not to apply for access.

## **ELECTRONIC MAIL AND INTERNET RULES AND REGULATIONS**

Students are responsible for appropriate behavior on school computer networks just as they are in the classroom. Communications on the network are often public in nature. The network is provided for students to conduct research and communicate with others. Access to network services is given to students who agree to act in a responsible manner. Parent permission is required and access is a privilege-not a right.

Individual users of the district computer networks are responsible for their behavior and communications over those networks. It is presumed that users will comply with district standards and will honor the agreements they have signed. Beyond the clarification of such standards, the district is not responsible for restricting, monitoring or controlling the communications of individuals using the network.

Network storage areas may be treated like school lockers. Network administrators may review files and communications to maintain system integrity and insure that users are using the system responsibly. Users should not expect that files stored on district servers will always be private.

Within reason, freedom of speech and access to information will be honored. During school hours, teachers will guide students toward appropriate materials. Outside of school, families bear the same responsibility for such guidance as they exercise with information sources such as books, periodicals, television, telephones, movies, radio and other potentially offensive media.

As outlined in Board policy and procedures on student rights and responsibilities, copies of which are available in school offices,

### **CHILD FIND**

The Ludlow Independent School District has an ongoing “Child Find” system, which is designed to locate, identify and evaluate any child residing in a home, facility, or residence within its geographical boundaries, age three (3) to twenty-one (21) years, who may have a disability and be in need of Special Education or 504 services. This includes children who are not in school; those who are in public, private or home school; those who are highly mobile such as children who are migrant or homeless; and those who are advancing from grade to grade, who may need but are not receiving Special Education or 504 services.

Ludlow’s “Child Find” system includes children with disabilities attending private or home schools within the school district boundaries that may need special education services.

The Ludlow Independent School District will make sure any child enrolled in its district who qualifies for Special Education or 504 services, regardless of how severe the disability, is provided appropriate Special Education or 504 services at no cost to the parents of the child.

Parents, relatives, public and private agency employees, and concerned citizens are urged to help the Ludlow Independent School District find any child who may have a disability and need Special Education or 504 services. The District needs to know the name and age, or date of birth of the child; the name, address, and phone number(s) of the parent(s) or guardian(s); the possible disability; and other information to determine if Special Education or 504 services are needed.

Letters and phone calls are some of the ways the Ludlow Independent School District collects the information needed. The information the Ludlow District collects will be used to contact the parents of the child and find out if the child needs to be evaluated or referred for Special Education or 504 services.

If you know of a child who lives within the boundaries of the Ludlow Independent School District, who may have a disability, and may need but is not receiving Special Education or 504 services, please call Beth Ketzer, Director of Special Education (859-261-8210).

## **Student Records**

Data and information about students shall be gathered to provide a sound basis for educational decisions and to enable preparation of necessary reports.

### **PROCEDURE TO BE ESTABLISHED**

The Superintendent shall establish procedures to promote effective notification of parents and eligible students of their rights under the Family Educational Rights and Privacy Act (FERPA) and to ensure District compliance with applicable state and federal student record requirements.

### **DISCLOSURE OF RECORDS**

Student records shall be made available for inspection and review to the parent(s) of a student or to an eligible student on request. Legal separation or divorce alone does not terminate a parent's record access rights. Eligible students are those 18 years of age or older or those duly enrolled in a post-secondary school program. In general, FERPA rights pass to the eligible student upon either of those events. Parents may be provided access to the educational records of an eligible student 18 years old or older if the student is dependent under federal tax laws.<sup>1</sup>

Upon written request, parents or eligible students may be provided copies of their educational records, including those maintained in electronic format, when necessary to reasonably permit inspection. Such copies shall be provided in a manner that protects the confidentiality of other students. A reasonable fee may be charged for copies.

District personnel must use reasonable methods to identify and authenticate the identity of parents, students, school officials, and any other parties to whom the District discloses personally identifiable information from education records.

In addition, considering the totality of the circumstances, the District may disclose information from education records to appropriate parties, including parents of eligible students, whose knowledge of the information is necessary to protect the health or safety of a student or another individual, if there is an actual, impending, or imminent articulable and significant threat to the health or safety of a student or other individual. In such instances, the basis for a decision that a health or safety emergency existed shall be recorded in the student's education records.

Authorized District personnel also may disclose personally identifiable information to the following without written parental consent:

- Officials of another school, school system, or institution of postsecondary education where the student seeks or intends to enroll or is already enrolled, so long as the disclosure is for purposes related to the student's enrollment or transfer;
- Authorized representatives of a Kentucky state child welfare agency if such agency presents to the District an official court order placing the student whose records are requested under the care and protection of said agency. The state welfare agency representative receiving such records must be authorized to access the child's case plan.
- School officials (such as teachers, instructional aides, administrators, including health or medical staff and law enforcement unit personnel) and other service providers (such as

contractors, consultants, and volunteers used by the District to perform institutional services and functions) having a legitimate educational interest in the information.

District and school officials/staff may only access student record information in which they have a legitimate educational interest.

Contractors, consultants, volunteers, and other parties to whom the District has outsourced services or functions may access student records provided they are:

- Under the District's direct control with respect to the use and maintenance of education records; and
- Prohibited from disclosing the information to any other party without the prior written consent of the parent/eligible student, or as otherwise authorized by law.

#### DISCLOSURE TO REPRESENTATIVES FOR FEDERAL OR STATE PROGRAM PURPOSES

Personally identifiable student information may be released to those other than employees who are designated by the Superintendent in connection with audit, evaluation, enforcement, or compliance activities regarding Federal or State programs. Such designation must be executed in writing with the authorized representative and specify information as required by 34 C.F.R. Part 99.35.

#### DUTY TO REPORT

If it is determined that the District cannot comply with any part of FERPA or its implementing regulations due to a conflict with state or local law, the District must notify the Family Policy Compliance Office (FPCO) within forty-five (45) days of the determination and provide the text and citation of the conflicting law.

#### DIRECTORY INFORMATION

The Superintendent/designee is authorized to release Board-approved student directory information. Approved "directory information" shall be: name, address, phone number, date and place of birth, student's school email address, major field of study, participation in officially recognized activities and sports, photograph/picture, grade level, weight and height of members of athletic teams, dates of attendance, degrees, honors and awards received, and most recent educational institution attended. Any eligible student or parent/guardian who does not wish to have directory information released shall notify the Superintendent/designee in writing within thirty (30) calendar days after receiving notification of FERPA rights.

The District allows for disclosure of directory information only to specific parties for specific purposes. Such limitations are specified in the student directory information notification.

Unless the parent/guardian or student who has reached age 18 requests in writing that the District not release such information, the student's name, address, and telephone number (if listed) shall be released to Armed Forces recruiters and institutions of higher education upon their request.

## SURVEYS OF PROTECTED INFORMATION

The District shall provide direct notice to parents/guardian to obtain prior written consent for their minor child(ren) to participate in any protected information survey, analysis, or evaluation, if the survey is funded in whole or in part by a program of the U.S. Department of Education.

Parents/eligible students also shall be notified of and given opportunity to opt their child(ren) out of participation in the following activities:

1. Any other protected information survey, regardless of funding;
2. Any non-emergency, invasive physical exam or screening required as a condition of attendance, administered by the school or its agent, and not necessary to protect the immediate health and safety of a student, except for any physical exam or screening permitted or required under State law; and
3. Activities involving collection, disclosure, or use of personal information obtained from students for marketing or to sell or otherwise distribute the information to others.

Parents/eligible students may inspect, upon written request and prior to administration or use, materials or instruments used for the collection, disclosure, or use of protected information.

PPRA requirements do not apply to evaluations administered to students in accordance with the Individuals with Disabilities Education Improvement Act (IDEIA).

## STUDENTS WITH DISABILITIES

The District's special education policy and procedures manual shall include information concerning records of students with disabilities.

## RECORDS RELEASE TO JUVENILE JUSTICE SYSTEM

Once a complaint is filed with a court-designated worker alleging that a child has committed a status offense or public offense, schools shall provide all records specifically requested in writing, and pertaining to that child to any agency that is listed as part of Kentucky's juvenile justice system in KRS 17.125 if the purpose of the release is to provide the juvenile justice system with the ability to effectively serve, prior to adjudication, the needs of the student whose records are sought. The authorities to which the data are released shall certify that any educational records obtained pursuant to this section shall only be released to persons authorized by statute and shall not be released to any other person without the written consent of the parent of the child. The request, certification, and a record of the release shall be maintained in the student's file.

## JUVENILE COURT RECORDS

Records or information received on youthful or violent offenders shall not be disclosed except as permitted by law. When such information is received, the Superintendent shall notify the Principal of the school in which the child is enrolled. The Principal shall then release the information as permitted by law. Only the Superintendent and school administrative, transportation, and counseling personnel or teachers or other school employees with whom the student may come in contact, shall be privy to this information, which shall be kept in a locked file when not in use and opened only with permission of the administrator. Notification in writing

of the nature of offenses committed by the student and any probation requirements shall not become a part of the child's student record.<sup>2</sup>

Upon notification by the Commissioner of Education of a child's disappearance, the District in which the child is currently or was previously enrolled shall flag the record of such child in a manner that whenever a copy of or information regarding the child's record is requested, the District shall be alerted to the fact that the record is that of a missing child. Instead of forwarding the records of a child who has been reported missing to the agency, institution, or individual making the request, the District shall notify the Justice Cabinet.

#### COURT ORDER/SUBPOENA

Prior to complying with a lawfully issued court order or subpoena requiring disclosure of personally identifiable student information, school authorities shall make a documented effort to notify the parent or eligible student. In compliance with FERPA, notice to the parent is not required when a court order directs that disclosure be made without notification of the student or parent, or when the order is issued in the context of a dependency, neglect, or abuse proceeding in which the parent is a party. If the District receives such orders, the matter(s) may be referred to local counsel for advice.

## **MEDIA & DIRECTORY INFORMATION**

Parents/Guardians can choose to not allow a student's image to be used in outside publications, such as the newspaper or the school/district's social media. Parents/Guardians also have the right to not allow their child's directory information to be released to organizations, such as colleges or military branches (typically applies to older students). If a parent/guardian chooses not to allow the release of both/either item listed above, the parent/guardian must notify Susan Mahan in writing. Once received, that notice will be applied to the student's record for that full school year. Mrs. Mahan can be reached at [susan.mahan@ludlow.kyschools.us](mailto:susan.mahan@ludlow.kyschools.us) or 859-261-8211.
