

Student Schedule

Ludlow High School

Beginning January 4, 2021

Beginning January 4, Ludlow High School will be returning to the hybrid schedule we were using in the first semester. Even though all students will be working virtually for one more week (Jan. 4 – Jan. 8), we want to get back to a consistent schedule. We will begin having students on-campus once again on Monday, January 11. This is the schedule we will be using for the entire 3rd term, and likely for the remainder of the school year. Remember, on Mondays and Wednesdays, we have our 1st, 2nd, and 3rd period classes – a morning and an afternoon session. On Tuesdays and Thursdays, we have the same with our 4th, 5th, and 6th period classes. We will be alternating Fridays, seeing Periods 1-3 on one Friday and Periods 4-6 on the next. The bell schedule for classes will be the same bell schedule that is used Monday-Thursday (the same bell schedule that was used during the first semester). Once we return to on-campus instruction, those who are coming on-campus will now come on Fridays, too. Fully virtual students should continue to identify with either a morning or afternoon schedule and try to consistently follow that schedule.
