Notebook for each class --- Each notebook should be used specifically for one class only

Two-Pocket Folder for each class

Plenty of Loose Leaf Paper

Several Pens and Pencils --- Pens should be blue/black ink

Earbuds to use in class

Index cards can be useful for studying

These are **basic** supplies for each class. Because each class section or elective may require more specific items (that don't necessarily apply to all students in that particular grade level), students should wait until teachers meet with them on the first day of school to see if additional items may be needed.

If students cannot get all needed supplies, they should check with Mrs. Pam Johnson in the Counselor Office or Ms. Jordan Goodpaster in the Family Resource Center for assistance with supplies.
